CALL FOR PAPERS

29th International Welding Conference

Miskolc, 26-28th May, 2016

The Hungarian Welding Society in partnership with the Hungarian Association of Welding and Material Testing, the Hungarian Association for Material Testing, the Hungarian Association for Non-destructive Testing and the University of Miskolc calls for papers and for participants for the 29th International Welding Conference. The main topic of the Conference:

Advanced materials and joining technologies of vehicle production

The professional fields of the Conference

- Modern welding processes and process variants in metal structures' manufacture
- Materials testing of welded joints and welded structures
- Numerical modelling
- High energy density welding processes
- Welding of high strength steels and aluminium alloys
- Automation and robotics
- Joining technologies of non-metallic materials
- Welding related products supplier experiences

The professional program of the Conference

The professional program of the Conference will include the following

- Plenary presentations. The presenters are asked by the Program Committee to hold their 25-30 minute presentations.
- Professional presentations. The presenters are asked to hold their presentations in maximum 15-20 minutes.
- In the lobby of the Conference Poster Exhibition will be held (as advertisements of companies of welding technologies and services).

After delivering the presentations the participants will have the possibility to debate on the topics of the presentations.

In order to apply for the Conference please fill the Registration Form and give the title of the presentation and the abstract. The hosting institute, the University of Miskolc will organize a laboratory visit before the opening ceremony on 24th May 2018. If you are interested in the laboratory visit please mark it in the registration form.

In case of holding a presentation it is expected to send the registration form until 1st October 2017.

The official languages of the Conference are Hungarian and English.

The 29th International Welding Conference is planned to be organized in a synergic cooperation with the 2nd International Conference on Vehicle and Automotive Engineering (VAE2018).

- A joint English session will be organized in the field of Advanced materials and joining technologies of vehicle production.
- The peer-reviewed and accepted manuscripts of the English presentations related to the joining technologies of vehicle industry will be published in the Lecture Notes in Mechanical Engineering series, published by Springer Verlag, indexed by Scopus.

Deadlines

Related to the English presentations of the joint session the deadlines are the following:

Event	Deadline
Abstract submission	1 st October 2017
Abstract acceptance	31 th October 2017
Full paper submission	1 st December 2017
Full paper acceptance	20 th January 2018

The 300-500 words abstracts should be uploaded to the <http://vae2018.uni-miskolc.hu> website.

Schedule, venue, accommodation

The Conference will begin with the plenary session on the 24th May, 2018. The sections of the Conference will be held on the 25th and 26th of May, 2018. The English joint session with VAE2018 will be organized on Friday.

The venue: **University of Miskolc** (3515 Miskolc, Miskolc-Egyetemváros, Hungary).

Participation fee does not include any accommodation or travel costs. Information about the suggested hotels near to the venue: www.maheg.hu

Registration fees

Normal registration fee	280 EUR
Registration fee for the individual and legal members of MAHEG, MAE, MAROVISZ, MHtE, MIKSZ and for the employees of the University of Miskolc (ME)	250 EUR
PhD students	130 EUR
Pensioners, undergraduate students	35 EUR
Supplementary costs of the Scopus-indexed English publication	185 EUR

The registration fee includes the costs of the program brochure, the coffee breaks, the lunch and the dinner on 25th May. The organizers will give a welcome reception on 24th May.

 Hereby I would like to sign up for the 29th International Welding Conference:

- as a member of MAHEG, MAE, MAROVISZ, MIKSZ
- as an employee of an MhE member company or employee of the ME
- as a PhD student.....
- as a pensioner or an undergraduate student.....
- I would like to hold a presentation

Title:

I would like to participate in the laboratory visit

I accept that I will send the Registration Form together with my 300-500 words English abstract via e-mail. Furthermore please, also upload the abstract to the <http://vae2018.uni-miskolc.hu> website.

Please, send the registration form and the abstract to the info@maheg.hu and metkomar@uni-miskolc.hu e-mail addresses until 1st October.

Hereby I acknowledge that I have to transfer the registration fee not later than the 31st March, 2018 and on the Conference at the registration desk I have to demonstrate the payment receipt.
